# HOTEL TORDÒ

*Comedy Show*

## THE SHOW

Hotel Tordò is a comedy show set inside a surreal reception hall and performed by the Tordò Brothers who, using clown techniques, body language and music, weave a series of original sketches. The two clowns will risk their lives in an attempt to tame a small ferocious beast and force it to perform the dangerous jump through the hoop of fire. They will present a dreamlike fakirism number by crossing beds of fried potatoes barefoot, and defying the thresholds of temptation, they will leave the audience open-mouthed and empty-mouthed. In the unpredictable Hotel Tordò, disappearances of mothers-in-law, precious micro-magic in lingerie, and a series of daring mistakes will turn a peaceful stay into a catastrophic comedy. A show of comic theatre, played with the poetry and joy of the clown.

suitable for an audience of all ages and all nationalities.
